**And think of the joy on
your child's face
when your card is read!**

Dear Friend of Children,

As a Save the Children sponsor, you've already shared your heart with the world's children and shown your eagerness to help make their lives better. That's why we're giving you another opportunity to show your sponsored child how much you care. For many children, the summertime means vacations, carefree days and hours spent playing with friends. Unfortunately, poverty doesn't take a vacation and many children around the world continue to struggle to survive.

For these special children who have so little, every sign of affection and caring is so important. That's why we've enclosed a special "Thinking-of-You" card to send to your sponsored child to provide encouragement and love. We've also provided an opportunity for you to send a gift of support to show children in need that you care and are working to make life better each and every day. We need your help now more than ever!

Please share a piece of your heart with your special child.

You've shown your love and support through your donations, now please send your love to your sponsored child with this special card. Simply insert a photo in the front of the greeting card ... perhaps a picture of your family or a favorite place. Then write a personal message on the card, enclose the special stickers we've included, drop it in the mail, and we will deliver it to his or her home.

Imagine the smiles you'll create when your sponsored child sees that you've taken the time to write and send a personal photo to brighten his or her day!

(over, please)

Your support can really make a difference in their young lives!

Because life can be extremely difficult for these children, we're urging you to send a gift of support to the *Spirit of Giving Fund*. Your gift will be combined with those of other sponsors to pay for special projects like Out-of-School Summer Programs, to educate and empower young, impoverished children to make a better future for themselves, and Nutrition and Hygiene Programs to help children and their mothers avoid diseases that can cause serious illnesses.

You can designate your gift to be used for children in your sponsored child's area or you can allow Save the Children to choose which sponsorship program needs critical support at this time. However you choose for the money to be spent, you can be sure that it will help bring life-changing programs and encouragement to many children who are in need this summer.

We know there's room in your heart to love!

Your sponsored child will feel so special when they receive a card ... especially from a dear friend so far away ... and your gift will be used to spread that feeling of warmth to many more young lives. Please send your card and generous gift today and continue to help these children overcome the struggles and obstacles they face in their young lives everyday.

Thank you for your dedicated efforts and generosity towards helping children!

On behalf of the children,

Charles McCormack
President

P.S. Please take a moment to share your heart with your sponsored child. And please share a gift of support to the *Spirit of Giving Fund* to help improve the quality of life for these special children.

THANK YOU FOR HELPING CHILDREN'S DREAMS TAKE FLIGHT.

Save the Children.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. At the bottom of the page, there is a decorative blue wavy border. The paper appears to be part of a notebook or a set of stationery.

Please insert a personal 4x6 photo into the slits on the front of this card to share with your sponsored child. Please be sure to secure the photo by stapling it from the back.
